

Carmel Valley Garden Association

PO Box 72 Carmel Valley CA 93924

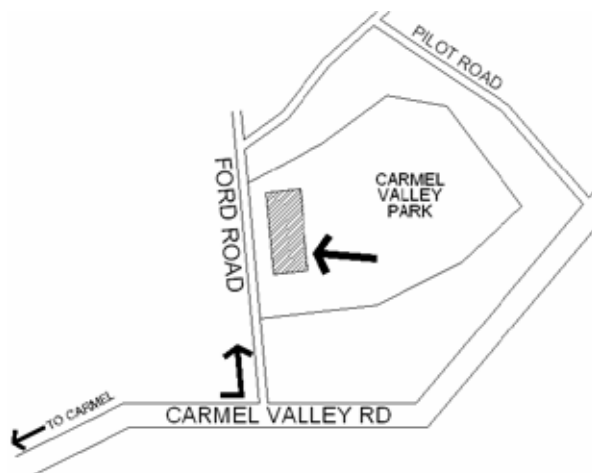

The Carmel Valley Garden Association is a non-profit garden club that promotes education about gardening throughout the area. We also have various projects throughout the year to help beautify the community. Our membership consists of people with no gardening experience but a desire to learn; professionals in the field, and avid gardeners from all the microclimates in Carmel Valley and surrounding communities. Our regular monthly meetings, which are both educational and social, are held on the 2nd Thursday each month at 7:00 p.m. at the Carmel Valley Community Center on Ford Road. Our membership and meetings are open to anyone with an interest in gardening or learning more about gardening. We also put out a newsletter with articles of interest, timely tips for your gardening and information on upcoming events.

Every May we sponsor a Flower & Art Show in Carmel Valley which is open to both visitors & participants and is free of charge. For the past several years we've also taken trips to the San Francisco Garden Show and to Filoli Gardens. In February, June, and December we hold wonderful "potluck" meetings.
